RAY PEARSON

ABOUT

Born in the heart of hip hop, the Bronx, Artist Ray Pearson has been a fan of hip-hop for as long as he can remember. Inspired personally by his older brother Mello and musical influences such as Eminem, Big Pun, Cuban Link & Jay-Z, he applied parts of their lyrical resonance into his sound and became his own artist. Ray is a 2 time Nominee for the Underground Music Awards, a 4 time independent music award winner for the Hip Hop Junky Awards and The Rookie Of The Year for the Fleet DJ's Music Awards. Ray Pearson has opened up for Joell Ortiz, Jeru The Damaga, Styles P, Jimmy Kang (WuTang Mgmt), PMD (of EPMD) and Tony Touch. He has participated in numerous cypher's including Cypher Circuit, Grind Mode Cypher & has auditioned for World Emcee (formerly known as Teambackpack). Staying true to his grind, Ray Pearson has been developing and growing his show/podcast "UnKaged With RAY!" [formerly known as Quarantine & Rap] as well as building his label KAGED MUZIK along with now creating Latin Hip Hop music.
